- Compatible with Windows® XP, Windows® 7, Windows® 8, Windows® 10, Linux, Mac OS®, Chrome, Android

More Details

Ultra HD 4K Image Sensor

With an advanced lens made of six layers of high-gloss optical glass, N1088 allows you to get a full HD video.

Built-in Noise-Cancelling Microphone

Even in noisy environments, your voice can be heard clearly as if you were talking face-to-face.

90° diagonal field of view

To get the most out of larger widescreen displays, perfect for conferences, presentations, family video calls, etc.

Ultra-Smooth Video

The Higher frame rate the N1088 provides allows for a smoother, more lifelike video stream.

Multiple Ways to Mount

A desktop tripod is also included to meet a variety of usage scenarios.

360 Degree Lens

360° rotating base and an adjustable mounting clip make it a breeze to secure the camera to computer monitors, laptops, and tripods.
